### A Word From the Principal

Deer Creek families,

April is an exciting time of year for students, as we are headed into the second half of the third trimester and planning for next year. It can also be a time when focus can be challenging, so staying informed about your student's progress is especially important. All grading information is available to families online through Campus Portal. You can go directly to Campus Portal from our Quick Links on the Deer Creek webpage. Gradebooks are updated each week, so this is a great tool for staying informed of your student's progress throughout the year.

## CMAS Testing

This spring, students will be taking the Colorado Measures of Academic Success (CMAS), a state mandated assessment that determines a student's achievement and academic growth in relation to the Colorado Academic Standards, which are aimed at preparing students for college and career success.

Students will take the assessments on the following dates:

- All grades will take the Math and ELA sessions throughout the day on April 13, April 14, April 17
  - ⇒ On the testing dates of April 13, 14, and 17, students will have an early release from school at 12:00 pm.\*\*
  - ⇒ \*\*Students who will receive extended time for their assessments will be released at the regularly scheduled end of day at 3:00 pm.
  - ⇒ Families will be receiving communication if your student is receiving extended time.
- 8<sup>th</sup> graders will take the science sessions on April 21, 24, and 25 (regular scheduled day).

Deer Creek is committed to using a body of evidence to inform us about instruction and students' learning and progress. The data generated from a variety of measures, including CMAS, helps us meet the needs of all of our students and allows us to make decisions to improve student learning and growth.

Here are some additional important facts about the CMAS assessments:

- Lunches will not be served (except for extended time students) so all students are encouraged to bring a healthy snack on all testing days to eat between assessments.
- Students who miss a testing session will make up that session. Make-up testing ends April 28th.
- Please ensure that your student is attending school on testing dates. Please avoid late arrivals and early dismissals, as they might interrupt your child's testing session.**
- During the testing window, regularly scheduled school learning opportunities will continue.

At Deer Creek, we are committed to preparing students for a promising future full of choices. We value utilizing data to make instructional decisions, while at the same time preserving instructional time in the classroom. We hope that this information is helpful to you and answers questions that you may have about the CMAS assessments. **Please contact Molly Law at 303-982-3820 or [molly.law@jeffco.k12.co.us](mailto:molly.law@jeffco.k12.co.us) with any questions you may have.** Our teachers dedicate themselves to providing your child with the highest quality education. Thank you for being a supportive member of our community of learning.

# Yearbook

Have your student check the list on the glass case to make sure they've bought a yearbook. If they haven't, they can bring \$40 cash to the Financial Office to get on the waiting list for the surplus books. We only receive a limited number of surplus books, so we cannot guarantee that every student on the waitlist will receive a book. If we run out, students still on the list will be refunded their \$40.

Mme Lisa Walz  
Yearbook Director

# Art News

## Deer Creek FCCLA

Deer Creek FCCLA is a club composed of students who have taken Family and Consumer Science classes. Their goal is to complete service projects that better our school and community. It is also a great opportunity for students to build leadership skills that will help them in future careers. Our students have been working incredibly hard on their service projects. They created lessons about topics they were interested in and then presented them to students at Deer Creek and the local elementary schools. We are asking for your help in allowing us to present these projects at the State Conference! Please support the Deer Creek FCCLA and FACS students by donating using the link below. Donations can be made up until May 1st.

## School Resource Officer Update

Welcome Back from Spring Break!

My number one priority is to keep everyone safe.

I know school safety is at the front of everyone's minds given the recent events in our community. I want to remind you all that I am here for you. I will continue to be vigilant and maintain my presence, so you can feel safe sending your children to our school.

### ORBEEZ

Recently we have seen an uptick in Orbeez gun related incidents. Please talk to your children about safety when playing with these toys and the importance of not shooting them at cars/people. Although your child may know it is a toy, someone getting hit by an Orbeez ball may not.

If you have any questions or concerns, I can be contacted through the front office at 303-982-3820 or JEFFCOM dispatch at 303-271-0211.

Until next month,

## Chromebook Repairs:

If your student has a Chromebook issue (including a lost Chromebook), please fill out the [Chromebook Help Form](#). It can be found at [tinyurl.com/ChromebookSOS](http://tinyurl.com/ChromebookSOS) and can be used on a phone, tablet, laptop, etc. This form provides all the information we need to get a working device in the hands of your student. **Students no longer get a loaner. They get a replacement device.**

All teachers have loaner devices in their classrooms for students to use in the event their Chromebook is broken or malfunctioning.

## 8th grade Chromebooks:

If your student is attending a Jeffco High School, your student will be issued a new Jeffco Chromebook through the high school. Your student's incoming high school will provide information on their Chromebook deployment process. Please reach out to your incoming high school with questions.

Your student will keep their current Chromebook over the summer. They will turn in their current Chromebook (and charger) at the time they receive their new school device. For more information regarding the high school Chromebook program, please visit [tinyurl.com/TechforEd](http://tinyurl.com/TechforEd).

If your student is not attending a Jeffco High School, please fill out [this form](#).

## 6th and 7th grade students not returning to a Jeffco School:

If your student is leaving Deer Creek but attending another Jeffco middle school, your student should keep their Chromebook over the summer to be used in the fall.

If you know your student is leaving Deer Creek and attending a Jeffco Charter school or school in another district, please fill out [this form](#). Their Chromebook is the property of Jeffco Public Schools and will need to be returned.
